31 March 2025

Dear Parents and Carers,

As we all know, the beginning and end of the school day can be very busy times, especially with the high volume of cars and families arriving and departing. We are fortunate to have a large car park that can accommodate everyone who chooses to drive, and we truly appreciate your cooperation in making it work smoothly for all.

However, we have noticed that some drivers have been parking inconsiderately, such as using the entrance as an exit or parking on the roundabout. These actions create potential hazards for everyone, and we are particularly concerned about the risk of an accident occurring.

We kindly remind all parents and carers to park considerately and adhere to the traffic flow guidelines to ensure the safety of all pupils and students. It is vital that we work together to maintain a safe environment for everyone. To help reinforce this message, we will have additional staff members on duty over the next few days to provide reminders. We would also like to avoid involving the Local Authority or the police in this matter, so we ask for your continued support in ensuring that the car park is used responsibly.

Thank you for your attention to this important matter, and for helping us maintain a safe and respectful environment for all our students.

Yours sincerely,

Mrs V J Reid
Chief Executive Officer
